

## [Mr. McChesney]

Mr. McChesney had pictures which had been copied from carvings made by Indians( I tried to talk him into a donation for the museum, but I find he has no unbalanced tendencies toward altruism. P.S. this is not a McLoid interlued) . These signs and designs have the following meanings: (1) Wounds in the body of a victim(2) broken arrow showing an enemy has been wounded in ba ttle(3) Signs denoting that [that?] belts they gave to raise a war party and to avenge the death of one of their [?]
